

Thank you for choosing the MC Skripts, proudly brought to you by VS-Shop. Your support means a great deal to us! To get started with the script, please follow the steps outlined below:

Step 1: Upload the script (`servermanage.sk`) to your skript plugins' directory.

Upload to: `/plugins/skript/skripts/`

Step 1.2: Reload the plugin by executing: `sk reload skripts`

Step 2: Try it out!:

`/serverrestart` or `/sr`

Step 3: Enjoy!

We appreciate your trust in our tools and look forward to your success with your Skript Plugin!
